

**LOUISIANA DEPARTMENT OF ENVIRONMENTAL QUALITY
RCRA PERMIT APPLICANT'S
ACKNOWLEDGMENT OF COMPLIANCE WITH RCRA REGULATIONS
AND REGULATORY APPLICABILITY OR NON-APPLICABILITY**

Statement of Acknowledgment and Compliance

The applicant certifies and acknowledges that the hazardous materials and waste operations performed at the facility identified in this application will fully comply with the regulatory requirements contained in the following Chapters of the Louisiana Administrative Code (LAC) Title 33, Part V. Chapters 1, 3, 7, 9, 11, 13, 22, 38, 41, 43 and 49. These chapters provide the regulatory definitions, administrative directives, public participation protocol, manifesting requirements, and technical material and waste management criterion that govern the generation, transport, treatment, storage and disposal of hazardous waste. The applicant's acknowledgment of these chapters of the regulations and its agreement to fully comply with these chapters of the regulations serves as their response to these regulations. However, the Administrative Authority may request additional information, including but not limited to responses to regulatory citations, if the information is needed to complete the permitting process.

Statement of Applicability or Non-Applicability

By marking the appropriate items below, the applicant acknowledges which Chapters of the Louisiana Administrative Code (LAC) Title 33, Part V are applicable and non-applicable to the hazardous materials and waste activities identified in this application for the referenced facility. The applicant acknowledges that the required information, regulatory citations and responses, diagrams, maps, plans and reports (detailed and specific to the site) will be provided in the permit application (i.e., Part A and B Portions) for the referenced facility in accordance with LDEQ's guidelines and requirements. The applicability or non-applicability of a particular chapter of the regulations is based upon the type of application submitted and as provided below. If responses to Chapter 17 are not specifically required below, the facility must submit with the permit application a statement that none of Chapter 17 is applicable or responses to any applicable subchapter.

Please check the category of permit for which the application has been submitted¹.
